Where Can You Find Free N95 Masks?

Through a Federally funded program, each adult in the US is eligible for up to three free N95 masks. Unlike the free at-home Covid-19 rapid tests, you cannot order free N95 masks online. The program officially started at the end of January, but many locations are still awaiting shipments. Please call your local pharmacies to inquire on availability. We will post more information online when the Community Health Center of Yavapai (CHCY) receives their shipments.
